**ADMINISTRATIVE LAW JUDGE'S RULING
DIRECTING CARRIERS TO PROVIDE NOTICE
OF PUBLIC MEETINGS FOR 909 AREA CODE RELIEF**

This ruling directs local carriers (both wireline and wireless) providing service in the 909 Numbering Plan Area (NPA) to provide written notice to customers in the 909 NPA service territory of public meetings that are to be held regarding proposed area code relief plans. Carriers shall complete the mailing of written notice of the times and locations of each of the meetings to all 909 NPA customers no later than June 25, 2003.

In addition to a series of public meetings, a separate local jurisdiction meeting shall be conducted. Specific information concerning the meeting locations, together with dates and times of each meeting is attached as an appendix to this ruling. The Commission staff shall separately convey to carriers serving in the 909 NPA the approved text to appear in the customer notice. Carriers shall incorporate the approved text and public meeting information into their notices mailed to customers. Carriers are reminded to ensure compliance

with applicable Commission rules governing multi-lingual communication of customer notices.

At each of the meetings, representatives of the industry, together with Commission representatives, shall present the industry proposals for area code relief in the 909 NPA, as set forth in the Petition for Relief in the 909 NPA filed by the North American Numbering Plan Administrator on June 13, 2002. Members of the public and local jurisdiction representatives will then be provided an opportunity to make comments and express their views concerning the proposed NPA relief alternatives.

Therefore, **IT IS RULED** that:

1. Carriers providing local exchange service in the 909 Numbering Plan Area (NPA) are hereby directed to provide written notice to customers in the 909 NPA service territory of public meetings that are to be held regarding proposed area code relief plans.
2. Carriers shall complete the mailing of written notice of the times and locations of each of the public meetings to all 909 NPA customers no later than June 25, 2003.
3. Specific information concerning the meeting locations, together with dates and times of each meeting is hereby provided in the appendix to this ruling.
4. The Commission staff shall separately convey to carriers serving in the 909 NPA the approved text to appear in the customer notice.
